Opponent Raps Faubus About His Bodyguard

LITTLE ROCK (AP) — H. E. Williams today took Gov. Orval E. Faubus to task for using a bodyguard.

Williams, a Democratic candidate for governor, said his first action as governor would be to fire the governor's bodyguard.

"It seems to be rather unbecoming for an Arkansas governor to be afraid to walk among his own people without armed guards," Williams said. "Of whom is he afraid?"

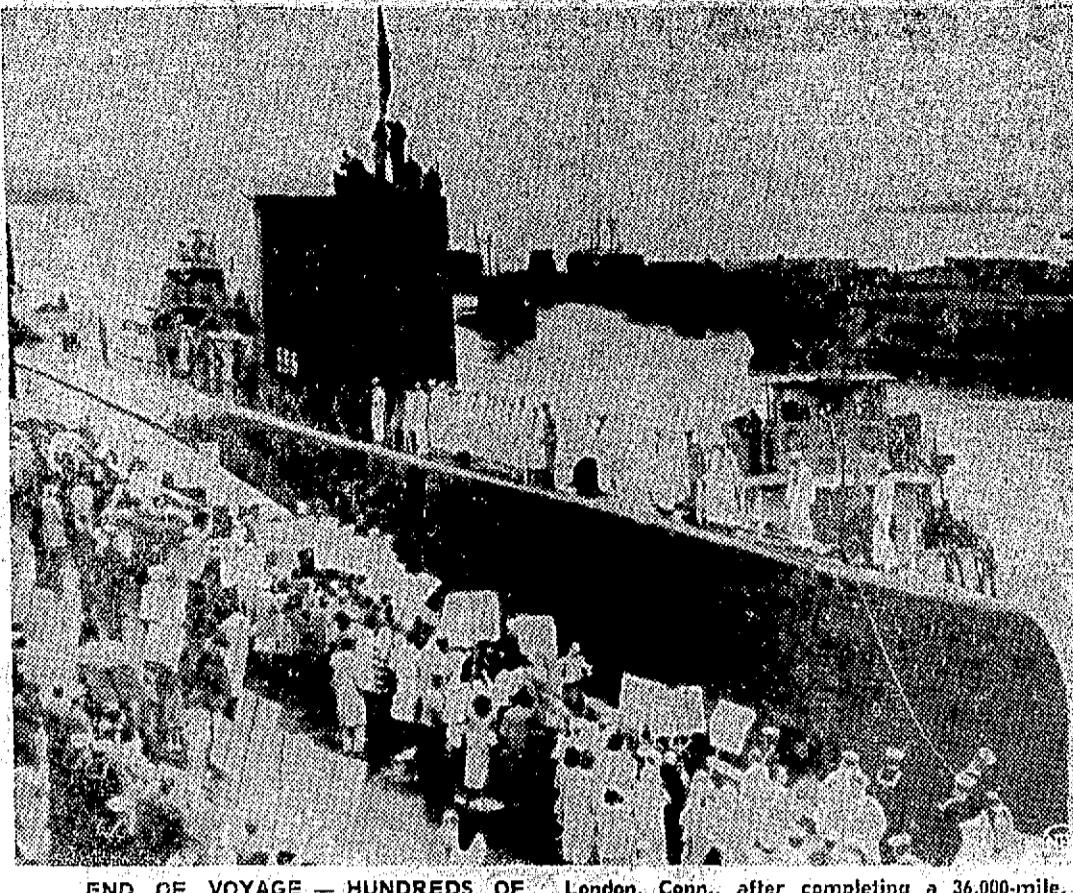

(State Police Sgt. Floyd Weaver has accompanied Faubus for the past three years.)

"Never before has an Arkansas governor been disposed to waste money of a needless expenditure," Williams declared. "This bodyguard waste will be the first extravagance to go."

Williams also scored Faubus for what he said was the governor's criticism of the government's decision to send a spy plane over Russia.

"Does the governor expect our SAC (Strategic Air Command) pilots to find their way to Russian targets with an outboard?" Williams asked.

"Seriously," Williams continued, "we all know by now the governor's tendency to go off half-cocked on subjects with which he hasn't the slightest familiarity. But talk he must, then he scolds back behind his bodyguard."

Group Sees Way to Get More Taxes

LITTLE ROCK (AP) — Arkansas would gain revenue if exemptions in the state use tax law were incorporated into the sales tax law, the Legislative Council's Revenue and Taxation Committee was told today.

The committee is considering a proposal to exempt from sales tax items now exempt from the use tax levied on items bought outside the state.

The Associated Industries of Arkansas showed the committee a detailed report which purported to show Arkansas would gain at least \$670,526 in revenue if the new exemptions are granted.

This was based on an estimate that Arkansas vendors would receive over 72 million dollars worth of sales now being lost annually to out-of-state suppliers because of the present exemption arrangement.

The board also would be assigned to conduct a two-year study of how to relieve hardships caused by loss of state and local taxes on federal properties and still guard against undeserved "windfall" benefits to any area.

Backers of the measure disagreed with that estimate, but had no figure of their own.

The bill would create a new government agency to handle the payments.

The board also would be assigned to certain industries on items bought outside Arkansas and used to build or expand facilities.

An indirect benefit of the sales tax exemption would be an improved industrial climate, Associated Industries spokesman said.

The report said repeal of the present use tax exemptions to eliminate discrimination is not the answer.

"This would deal a mortal blow to our industrial development program," the report said.

The Revenue and Taxation Committee, after completing its study of the matter, will report to the full council which will then make recommendations to the 1961 General Assembly.

Texarkana 50,000

TEXARKANA (AP) — The twin cities of Texarkana have topped the 50,000 population mark with a gain of nearly 10,000 since 1950.

Preliminary 1960 census figures show 30,712 persons in Texarkana, Tex., and 19,526 in the Arkansas city for a total of 50,238. In 1960 total population was 40,628, with May 15 until June 1. The

Hope District contest will be held on June 17.

Dollarway Appeal Cases Are Merged

ST. LOUIS, Mo. (AP) — All phases of appeals in the Dollarway integration case will be consolidated for a special hearing June 27 by the Fifth U.S. Circuit Court of Appeals.

A hearing on two appeals had been scheduled tomorrow.

Chief Judge Harvey M. Johnson said the consolidation and postponement were "for the convenience of all parties concerned."

Three separate appeals are pending from orders of District Judge J. Smith Henley in Little Rock.

The Negro plaintiffs appealed

part of a ruling by Henley Feb.

19, which declined to order them admitted to the all-white Dollarway School near Pine Bluff, Ark.

The School Board appealed another portion of this ruling upholding the right of the Negroes to take their case to federal court.

The Negroes later appealed Henley's approval April 19 of a desegregation plan which he had ordered the school board to submit.

In their first appeal, the Negroes asked the higher court to reverse Henley and order them admitted to the Dollarway School.

The second appeal objected to the Dollarway plan, which said the board would "insofar as possible" assign first-graders to schools far according to the preferences of their parents.

The Board's appeal contended that the Negro plaintiffs, Corliss Smith and James E. Wallfield, should have taken their case to Jefferson County Circuit Court under the state's pupil placement laws rather than filing suit in federal court.

The June 27 hearing falls during the appellate court's summer recess, but a special meeting will be called to hear the case.

Budget Deadline

LITTLE ROCK (AP) — Monday is the deadline for state agencies to submit 1961-62 budget requests

to the state comptroller's office for submission to the 1961 Legislature.

The quotas must be approved by at least two-thirds of the growers voting in the referendum.

The 1961 wheat allotments compared with those of 1960, respectively, by commercial wheat producing states include:

Arkansas 62,988 and 57,555.

Had Trouble for Nothing

LITTLE ROCK (AP) — Burglars who broke into the Moon Distributing Co., warehouse here last night went to a lot of trouble for nothing.

They chiseled through an 18-inch concrete and tile wall and worked long and hard without success to break open two large safes. Finally they loaded a third safe—a small one—onto a truck and drove away.

Company officials said today the small safe contained no cash, only records.

Cubans Shoot Down Plane, Kill U.S. Pilot

By HAROLD K. MILKS

HAVANA (AP) — Cuban troops shot down a light plane today and reported they killed its American pilot. Officials charged he was trying to smuggle counter-revolutionaries out of the country and they had laid a trap for him.

An official Cuban announcement identified him as Matthews Edward Duke, 42, and gave his address as Palm Beach, Fla.

Duke apparently slipped through a U.S. Border Patrol net in Florida designed to stop Cuban flights, which have been a constant source of tension between Havana and Washington.

The Border Patrol in Miami said Duke was on a list of 29 pilots to whom a plane was not to be rented under any circumstances.

The list was distributed in hopes of preventing sabotage or escape flights to and from Cuba.

Five Cubans were reported arrested at the scene. The Cuban announcement identified them as Francisco Aguirre Fidault, secretary general of the Hotel and Restaurant Workers Union under the Batista regime; three former Batista officers, and the daughter of an army captain under Batista.

Officials said the plane piloted by Duke landed at the same place early Sunday and flew away with three men. Police and naval parties were watching then and permitted the single-engine plane to get away so they could ambush it on later trips.

The Federal Aviation Agency in Washington said Duke rented a plane bearing registry No. N4363P from the Louisiana Aircraft Co., of Baton Rouge, La. He told the firm he was flying to Texas to pick up space airplane parts. He leased the plane until May 10 but on that day telephoned the company from an unknown location that he would return the craft for two more days. The FAA said it could find no evidence that he had now is scheduled to spend in the Soviet Union "could be utilized elsewhere" if the Kremlin leader does decide to pull back the invitation "it's all right with me."

Eisenhower's views were reported against the background of Khrushchev's suggestion that the President might not be welcome because of the American spy plane incident.

Moore and several other GOP congressmen had breakfast with Eisenhower at the White House.

Moore quoted Eisenhower as saying "further" that the 10 days he now is scheduled to spend in the Soviet Union "could be utilized elsewhere" if the Kremlin leader should withdraw the invitation.

Eisenhower did not elaborate on that, Moore told reporters.

In response to a question, Moore said Eisenhower made it plain he intends to wait for Khrushchev to bring up the matter of the visit.

The Kremlin leader said Wednesday that he and Eisenhower would discuss the matter when they met in Paris next week for the summit conference.

Russia Promises to Try U.S. Pilot on Charge of Espionage

Ike Apparently Still Planning to Visit Russia

Will Deal With Him Severely, Nikita Says

LONDON (AP) — Pilot Francis G. Powers has been charged with espionage and Premier Nikita Khrushchev has promised "We shall try him—try him severely as a spy."

This was reported today by the Soviet news agency Tass.

The penalty for espionage in the Soviet Union ranges from 10 years in prison to execution by a firing squad.

The latest developments were announced by Tass broadcasts from Moscow today in the wake of the news conference Khrushchev held Wednesday at the Moscow exhibit of espionage articles which the Soviets say Powers carried when he was down May 1.

Part of Western correspondents' dispatches on the news conference had been held up in Moscow censorship. The Tass account of Khrushchev's remarks was carried from Moscow 20 hours after the news conference took place.

The Tass version carried this exchange between correspondents and the Soviet Premier:

Q. Will this plane incident influence Soviet public opinion when Eisenhower comes to Moscow?

A. I would not like to be in Eisenhower's place. I would not like to answer the questions which might be put to him when he comes to the Soviet Union May 1, will be "brought to account" for his flight. The State Department has interpreted this to mean that Powers will be tried on espionage charges.

Fulbright in Talk With Pres. Nasser

CAIRO (AP) — U.S. Sen. J. William Fulbright (D-Ark.) today had a two-hour meeting with President Nasser of the United Arab Republic.

"We discussed all the problems of the Middle East area," the chairman of the Senate Foreign Relations Committee told news men.

Asked about the New York picketing of the U.A.R. ship Cleopatra which ended last week and an amendment to the U.S. foreign aid bill aimed against the U.A.R., Fulbright replied:

"I explained to President Nasser there are many trade unions in our country and it is difficult to control everything. However, I am glad this problem is finished, and I hope our situation will become very clear."

Fulbright said Nasser was most interesting on conversation.

Earlier, Fulbright conferred with Foreign Minister Muammar Pawi for an hour. A spokesman said Pawi and Fulbright discussed relations between their two countries.

"If the United States has not experienced a real war on its territory, has not experienced air raids, and if it wishes to unleash a war, we shall be compelled to fire rockets which will explode on the aggressor's territory in the very first minutes of war."

State to Get New Armories

WASHINGTON (AP) — New National Guard armories would be authorized by Marshall Mountain Home and Slaton Springs, Ark., under a \$1,182,000 military construction authorization bill approved by the Senate Armed Services Committee.

The bill, approved by the committee yesterday, omitted a \$100,000 authorization for Little Rock Air Force Base and cut by \$30,000 authorization for the Blytheville Air Force Base.

The House passed version of the bill did not contain funds for the new armories. The Senate bill authorizes \$17,000 each for them. Construction still would be subject to an appropriation.

The House bill authorized \$1,377,000 for the Blytheville base, but in the Senate committee it was reduced to \$1,347,000. The \$100,000 Little Rock base authorization, contained in the House bill but deleted from the Senate bill, was deleted from the Senate bill.

The 1959 yield was 1,544,000 bales, compared with 1,025,000 bales last year.

Value of Cotton Crop Increases

LITTLE ROCK (AP) — Arkansas' 1959 cotton crop is valued at \$276,344,000, a gain from last year's \$178,329,000.

Increased production this year offset a price drop, the federal state Crop Reporting Service said.

The 1959 yield was 1,544,000 bales, compared with 1,025,000 bales last year.

Vols Climb to 3rd in Southern

By THE ASSOCIATED PRESS

Rain, a clutch of ninthinning hits and Al Pehanick's strong right arm combined to lift Atlanta into third place in the Southern Assn., in ripe position to start whittling away on the second slot.

The rain figured in the standings by washing out Nashville's game with Mobile, preventing the Vols from climbing out of fourth place along with the Crackers last night.

Slings by Jim Williams and Tom Harkness and a double by Don Le John were the hits that broke the Crackers out of a 3-3 tie in the ninth for a 3-3 victory over second place Shreveport. Williams stole home for the insurance run.

And Pehanick, while he had front-running Birmingham's interests primarily at heart, did his bit by pitching the leaders to a 2-1 squeaker over Little Rock, which dropped into fourth place with Nashville. Pehanick needed help in the ninth from Ross Grimesley and Vince Trakan.

Cold weather postponed Memphis' game at Chattanooga.

The rising Crackers take another shot at Shreveport tonight with a covetous eye on second place.

ROCKEFELLER Helped His Fellow Man

TUCCSON, Ariz. (AP) — John D. Rockefeller Jr., who used a vast fortune to promote the welfare of his fellow man, died shortly before noon today in a Tucson hospital. He was 86.

For many years a winter visitor to Tucson, Rockefeller spent most of last winter in Tucson Medical Center.

His condition took a turn for the worse Monday night and members of the family, including his son, New York Gov. Nelson Rockefeller, were summoned to his bedside. The New York governor arrived by plane a few hours before his father's death.

Rockefeller's name, like that of his father, was synonymous with worldwide philanthropy.

The two of them made capital gifts totaling more than \$75 million dollars. In addition, Rockefeller endowments financed numerous organizations such as the Rockefeller Foundation, General Education Board and Rockefeller Institute for Medical Research.

The known gifts of the younger Rockefeller were well in excess of \$30 million.

Rockefeller Jr. was responsible for construction of Rockefeller Center in New York, an imposing group of 16 modern steel, glass and limestone buildings in midtown New York.

Accident May Keep Star Out

CARLOTTESVILLE, Va. (AP) — An accidental self-inflicted bullet wound may have jeopardized the Olympic track hopes of Tony Sepp, the University of Virginia's 21-year-old sprinting star.

Sepp shot himself through the left side Tuesday as he was twirling a .22 caliber pistol on the firing range. He underwent emergency surgery at University Hospital, where a spokesman said he was "doing very well."

Sepp was eligible for Olympic consideration by virtue of a 9.5 second clocking in the 100 and a 20.5 in the 220. His time for the century equals the Olympic qualifying standard. The standard in the 220 is 21.4.

DeAnn Lilac Garden
Club Meets

Mrs. C. B. O'Steen and Miss Little Clark were hostesses to a meeting of the DeAnn Lilac Garden Club on May 10 in the O'Steen home. Pretty spring flowers and colorful May Baskets decorated the home.

The club president, Mrs. O'Steen opened the meeting, and the devotion was given by Miss Clark.

She used for her scripture Mark 7:9-13 and Exodus 20:12 and she also read a beautiful poem entitled "My Mother," Mrs. Richard Arnold offered the prayer.

Members answered the roll call by naming their favorite flowers. "The Greatest of Our Mothers" was the name of the program which Mrs. Trula Coffee brought to the club, and everyone enjoyed the inspirational message.

Mrs. Hollis Samuel won in judging of May Baskets brought by the club members. Ice cream, cookies, and cold drinks were served to nine members and one guest, Little Miss Nan Arnold.

Should Child Be Told
Its Father's Past?

Dear Dorothy Dix:

My husband is an ex-convict and we are expecting our first child in July. Would it be wise to keep it from the child or should we tell? We have been married over a year and he is as tame a man as you would ever want to know. Any help would be appreciated. — Mrs. G.N.S.

Dear Mrs. G.N.S.: By all means tell the child when it is old enough to ask questions. There will be no hurdles if the father inspirers in it the love he has in-

commissioned by the R. O. T. C. at Henderson.

Palmer and Hogan Are Favorites

FORT WORTH, Tex. (AP) — Arnold Palmer, who has been able to win most anywhere except here, and Ben Hogan, who has done more winning here than anywhere else, were the favorites at the \$30,000 Colonial National Invitation Golf Tournament opened today.

Palmer has played in this tournament five times and won only \$994, with a title for twelfth his highest finish. But he has taken five tournaments along the tour and banked about \$30,000, this year, so he was the logical one to name for top money in Colonial.

Hogan, five times champion of Colonial and winner of \$28,000 in 13 appearances, is defending champion.

The field of 54, that includes all winners along the tour except Sam Snead and has National Open king Bill Casper, National PGA champion Bob Rosburg and Masters champion Palmer, had final-rounds Wednesday.

The tournament, a 72-hole affair, runs through Sunday.

Detroit Shows Signs of Coming Alive

By ED WILKS
Associated Press Sports Writer

Ed Mathews hit two homers and drove in five runs for Milwaukee, and Elroy Face, the Pittsburgh reliever who couldn't lose, finally won one. But the man of the moment in the National League is Sam Jones, the guy with a toothpick and an arm.

Sam Jones did just about everything for San Francisco Wednesday as the first place Giants won their fifth in a row. The toothpick chewin' right-hander beat the Philadelphia Phillies 1-0 with a two-hitter and got the run home when he walked with the bases loaded in the second inning.

The victory lifted the Tigers past Washington into sixth place in the American League race, just four games behind Chicago's idle first place White Sox despite that one-game skid.

Baltimore defeated Kansas City 5-3 on Jackie Brandt's two-run homer in the 10th inning in the only other AL game played. Chicago and the other first division clubs—New York, Boston, and Cleveland—were rained out.

In the National League, the first place San Francisco Giants made it five in a row, beating Philadelphia 1-0 on Sam Jones' two-hitter and bases loaded walk—to Sad Sam—in the second inning. Pittsburgh remained in second, 1 1/2 games behind, with a 10-3 victory at Los Angeles as reliever Roy Face finally won one.

Ed Mathews slugged two of Milwaukee's four home runs in a 12-8 job on St. Louis. Cincinnati's game at Chicago was called off because of cold weather, the Cubs' sixth consecutive postponement.

In the American League—where rain rained Chicago, New York, Boston and Cleveland—Detroit's Frank Lary out-dueled Pete Ramos for a 1-0 victory at Washington on Al Kaline's two-out home run in the 11th inning. Baltimore defeated Kansas City 5-3 in 10 innings on Jackie Brandt's two-run homer.

Jones, 34, put away his fourth victory in six decisions with the fourth two-hit game of his career and his first shutout.

The Giants managed only five hits, four off loser Jim Owens (2-3), who worked seven frames. A leadoff walk to Willie McCovey and two-out singles by Hobie Landrith and Ed Bressoud loaded the bases before Owens walked Jones on a 3-1 pitch.

The Pirates got all their runs with two out, in the first, eighth and ninth. They scored in the first on Gene Baker's single, his first hit since he was given up for lost after a 1958 injury. But then they were blanked on three hits until the eighth when Hal Smith's tying, two-run single chased loser Sandy Koufax (0-3) and ex-Dodger Gino Cimoli clinched it with a single off reliever Larry Sherry.

Face, now 1-3 took over in the seventh after rookie Joe Gibbon gave way for a pinch-hitter. Rookie Bob Aspromonte drove in all of the Dodgers' runs.

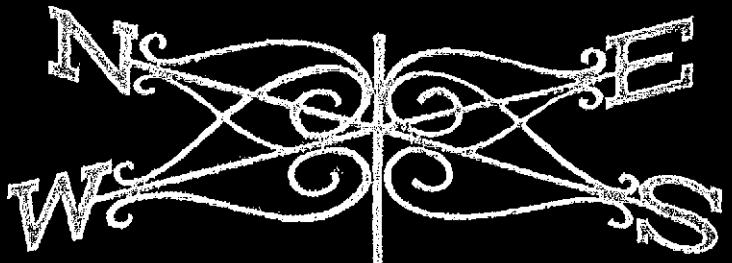

Mrs. Delta Johnson \$2.06, Mrs. Ruby Williams \$1.56, Mrs. Alcira Wade \$20.52, Mrs. Ruby English \$14, Miss Tolliver \$2, Mrs. Odessa Miller \$12.11, Mrs. Rutha McGill \$14.53, Mrs. Essie Loring Glenn \$13.75, Mrs. Cora Smith \$2.58, and Mrs. Sarah Davis \$15.53. A total of \$180.04 was raised.

The Benevolent Society will hold its regular meeting Saturday, May 14 at Haynes Chapel at 10 a.m.
